Use your rubric to grade your lab Day 56 – 59* Day 60* Day 61* Print the Murder At The Farm Lab Sheet Scroll down towards the bottom of the page and complete the Murder At Farm Lab Give yourself 10 points for completing this activity. Review all the Presentations: Hair Characteristics Review Species Conditions of Hair Day 51 Day 52 Day 53 Day 54* Complete the Hair worksheet Check your answers and record your grade. Here is your grading rubric. Day 147-148* Complete Serology Activity. Day 69 Read page 6 about Tool Marks and Impressions. This makes it easy to select worksheets that match the child’s interest or to build background knowledge in specific areas.Teacher Resource SitesWhether you’re a teacher or a parent, teacher resource websites are another option for finding reading worksheets. Because these programs are geared toward children learning the English language, they incorporate social studies and science lessons along with the reading skills.Nonprofit Literacy GroupsOrganizations like ReadWorks and edHelper have reading comprehension worksheets available on their websites. Day 39 & 41* Day 42* Complete the Fingerprint worksheet. 117 & 118) (Unit 11 Alternative) Day 150 Read VNTR, Forensic DNA Testing, RFLP (Restriction Fragment Length Polymorphism), PCR (Polymorphism Chain Reaction) and STR (Short Tandem Repeat) or SSR (Simple Sequence Repeats) (pgs. and Base Pairs (pgs. How is alcohol metabolized? Check your answers. Record your grade Day 21 Review your notes for tomorrow’s test. Day 86 & 87 Take today and tomorrow to complete any assignments in may have missed, not finished or would like to like a better grade on Day 88 – 89 Review your notes, tests and you can use the review packets again. Review the Introduction Presentation. Day 156* Complete the DNA Spooling lab. Sapp **I want to thank Brendan Sapp for allowing us to use his free curriculum.** Notes: Most of the reading is pdf form so pdf reader such as adobe is required. Give yourself 5 points for each question answered in full sentences before reading the conclusion, total possible 15 points. Grade using the rubric (You printed this out on Day 1.). Click “Test Unit 3 Glass and Soil” and then click “Download.” The password is (bsappcom). The website with the quiz is no longer available to us. MORE FROM QUESTIONSANSWERED.NET Welcome to Forensics. One advantage of using these worksheets is that they are designed for specific reading levels and have been tested in a classroom. If you’re looking for materials to use in a homeschool setting or for after-school practice, check out these sites. Day 1* Introduction Day 2 Write down these Essential questions (from GVL) in your notebook and answer them as you go through this unit. Day 101 Read about the different types of drugs. (You printed this out on Day 1.) Record your grade. Make sure all your grades have been entered For your Forensic Files Worksheets there have been about 9 weeks of school this quarter, you will now enter the grades for them: Number of WS’s Extra Credit Grade 9 110 8 105 7 100 6 95 5 90 4 85 3 80 3. Today is the end of your Second Quarter and your First Semester. If you choose save a few of your Labs for you portfolio. Day 122 Day 123 Read about Spectrophotometry on page 4 Read about Mass Spectrometry on page 5 Day 124 Day 125* Complete the Chemical Analysis test. There used to be a quiz here. Day 99* Take the Drugs test. Read Glass Fractures, Stress Marks & Successive Penetrations (Pgs. Glass and Soil Day 23 Write down these Essential questions (from GVL) in your notebook and answer them as you go through this unit. Watch the video trailer. You may want to write the key terms in a notebook. (Some students have had trouble opening this lab, if you can not open it please skip it and I will announce when it is replaced, I want to make sure I do not double anything.) Complete the Handwriting Analysis Lab on GVL at the bottom of page 3. Day 19* Complete Analysis of Ransom Note. Record your score out of 52, lose 1 point for every answer that is left blank. Day 145 Read about Blood Stain Patterns on Page 5. Make Up Days For you Forensic Files Worksheets there have been about 9 weeks of school this quarter, you will now enter the grades for them: Number of WS’s Extra Credit Grade 9 110 8 105 7 100 6 95 5 90 4 85 3 80 3. We cannot guarantee that the links in this course are up to date. Your paper is due on Day 81 Day 82 Day 83 Edit your paper and hand in. This content was not approved by EP. 119 – 121) (Unit 11 Alternative) Day 151 Day 152 Day 153* Day 154 Day 155* Take the DNA test. Day 106 & 107 Day 108 Day 109 Day 110 – 113 Continue your research Work on Visual aids Day 114 & 115 Day 116 Edit and Complete your project Use your rubric to grade it and record your grade Chemical Analysis Day 117 Day 118 Day 119 Day 120* Complete the Poison Lab (Poison Lab Flow Chart) Grade using the rubric. Record your grade. You do not need to do the Assignments at the bottom of the page. You do not need to do the activities at the bottom of the page. Check your answers with the answer key on the website. Record your grade. You could save this for your portfolio if you want. Days 102-104 Your assignment for the next 3 days is to research the history of drugs and toxicology and to create a timeline. Your timeline can either be done on computer or by hand. Your timeline should include: 10 entries 10 pictures, 1 for each entry Date of first discovery, and who made the discovery 2 relevant facts for each entry Score up to 60 points: 6 points for each entry – 1 point for the entry, 1 point for a picture, 2 points for date of discovery and who discovered it, 2 points for two relevant facts. In what ways do glass and soil evidence aid in solving a crime? (This lab assignment replaces the Day 68 quiz that was originally on your grading sheet.) Day 76 Do the Firearms, Ballistics, Tool Marks, and Arson interactivity on page 7. If you choose save a few of your Labs for you portfolio. Day 20* Complete Catching a Counterfeit using the link given at the top of the activity. Day 46* Day 47* Complete Interactive Investigator. Read about the Comparison Microscope on Page 4 Day 127 Read about the Stereoscopic Microscope on Page 5 Read about the Polarizing Microscope on Page 6 and watch the video on that page. Day 128 Read about the Microspectrophotometer on Page 7 Read about the Scanning Electron Microscope on Page 8 and complete the interactivity on the page. You will need to use this link for the interactive instead of the one given. Check your answers and record your grade Day 48* Complete CSI vs Reality Check your answers and Record your grade Hair and Fiber Day 49 & 50 Write down these Essential questions (from GVL) in your notebook and answer them as you go through this unit. When children need extra practice using their reading skills, it helps to have worksheets available. Today is the end of your First Quarter. If you choose save a few of your Labs for you portfolio. Day 44* Complete the Fingerprint Test. Check your answers. Check your answers. Check your answers with the answer key on the website. Please discuss this with your parent/teacher to decide which show would be best for you to use for this course. Complete your portfolio If you are completing a transcript then Add 1 Credit for Forensics. Drugs & Paraphernalia Day 94 Write down these Essential questions (from GVL) in your notebook and answer them as you go through this unit. You do not need to do the activity at the bottom of the page. Grade using the rubric. The teachers sometimes include anecdotal notes and tips for making the worksheets more effective.Publisher WebsitesPublishers of textbooks, education research and professional development books sometimes offer worksheets on their websites. For your Forensic Files Worksheets there have been about 9 weeks of school so far, you will now enter the grades for them: Number of WS’s Extra Credit Grade 9 110 8 105 7 100 6 95 5 90 4 85 3 80 3. Make sure all your grades are recorded. 109-116). (Unit 10 Alternative) Day 138 & 139 Day 140* Complete the Autopsy worksheet. Check your answers. Record your grade. (see your parent for access) Check your answers with the answer key on the website. Record your grade. These worksheets usually are samples from the books they publish so that you can preview the content. (bsappcom Reminder: Again please do not share this online anywhere since it does not belong to us) Day 45 Use today to complete any missed or incomplete assignments. How can forensic scientists distinguish between human and animal hair? 7) (Unit 2 Alternative) Day 12* Day 13* Review your notes. Highlight the space between the () to see the hidden password and do not share the password online anywhere since it does not belong to us. Bodies and Autopsies Day 131 Day 132 Day 133 Day 134 Day 135 Day 136 Day 137 Read the Autopsy Report (pgs. How are drugs classified? (The password can be found on Day 30.) Day 100 Read about Drug Toxicology on pages 2 and 3. Day 105* Select one of the drugs listed on the second page here. How should a crime scene be secured, assessed, and examined?
